PROFILE

Frontend developer with about 2 years of experience. I have implemented corporate websites and online stores with WordPress integration. Currently, I am developing my skills in React and modern frontend technologies.

EXPERIENCE

HTML coder

Kharkiv

Mar 2021 — Mar 2022

Key skills: HTML 5, CSS 3 (SASS), JavaScript, jQuery.

Professional skills:

- Development and adaptive layout of web designs for subsequent integration with **WordPress**.
- Writing **optimized** and **maintainable code** that simplifies further refinement and customization.
- Close **collaboration with backend developers** to integrate functionality and with designers to accurately implement the visual concept.

Frontend Web Developer

remotely

Jul 2022 — Mar 2023

Specialization: Creation of interactive web projects for subsequent integration with **WordPress**.

Technologies: HTML 5, CSS 3 (SASS), JavaScript (GSAP, Anime.js), Swiper.

Professional skills:

- **Full cycle development** of various types of websites (corporate, online stores, landing pages).
- **Optimization** and **refinement of third-party code**, which helped eliminate bugs and improve the overall efficiency of projects.
- Ensuring **cross-browser compatibility** and **code adaptability**, as well as using [GSAP](#) and [Anime.js](#) to implement complex animations that significantly improve user engagement.

EDUCATION

Master, National Aerospace University named after N.E. Zhukovsky "Kharkiv Aviation Institute", majoring in "Information Technology"

Kharkiv

Sep 2016 — Dec 2021
